303 COUNTY ROUTE 10, PENNELLVILLE, NY 13132 Or Email to: RLK4801@yahoo.com

Additional Information:

All tournament anglers and staff must wear a face mask or face covering when social distancing (staying 6 feet apart) is not possible.

Fish limit for Boaters (5) – Co anglers (5) of Largemouth or Smallmouth Bass 12" minimum length

Tournament waters – United States waters of the Saint Lawrence River

All Anglers must possess a fizz kit and understand how to use it should your catch require fizzing.

All Boaters must follow Clean, Drain and Dry Law for official practice and tournament day. No debris on boat or trailer, empty live wells with plugs pulled, bilge plug pulled, and outboard engine should be cleared of any water.

Official practice period will close at 3 p.m. on the day prior to the tournament. All contestants must be off the water by this time. It is the responsibility of the contestant to know and observe these dates and times.

All anglers must read and know all tournament rules. Tournament rules can be found at www.nybassfed.com

Boaters must present a copy of valid insurance for their boat at re-registration. Minimum \$300,000.00 per occurrence boating liability insurance that covers both the operator and the boat being used in the tournament.

Safety first:

Observe and follow the laws going through no wake zones. This will be closely observed in the harbor at send off and at check in

Each competitor is required to wear a Coast Guard approved chest-type life preserver. The preserver must be snapped, strapped, or zipped securely and maintained in that condition any time the combustion engine is running.

If you are wearing an inflatable life vest, you must have a regular non inflatable life vest on board in order to remove the inflatable while fishing. This is a coast guard regulation.

The Tournament Director always has the right to require the use of running lights, and the authority to delay or cancel the start of an official tournament day because of bad weather or other factors that would endanger the safety of the competitors.

New Law Requiring Boat Engine Cut-off Switches. As of April 1, 2021, operators of recreational vessels less than 26 feet long will be required to use an engine cut-off switch. This will be checked at blast off
